Member Discount for Concordia Lutheran School

In order to qualify for discounted member rate, the child attending and at least one parent (or legal guardian) must be active members of Concordia. An active member, by definition, meets all of the following:

- (1) Has formally joined Concordia. Methods of joining include:
 - a. Transfer from another LCMS congregation;
 - b. Profession of Christian faith (for those who are Lutheran but not LCMS)
 - c. Adult instruction and Adult confirmation
 - d. Having been raised and confirmed as a youth, and having continued in that membership to the present.
- (2) Attends worship at Concordia on a regular basis. The Scripture calls on us to worship as often as possible. We believe that anything less than twice a month is indicative of a person who does not value highly their worship relationship with the Lord. Less than 50% attendance may disqualify a person from the membership discount.
- (3) Supports and encourages the work of the Church and School by donating their time, abilities, and financial wealth. Scripture suggests a minimal involvement for a church member is a tithe, or 10% of their regular income. This is above and beyond any tuition paid.
- (4) Supports the mission of the Church by striving to live a God pleasing life in word and in action.

These are the minimum standards expected of any person who is a member of Concordia Lutheran Church. They are also the standards we expect of those receiving a member tuition discount.

For those becoming members, the tuition discount will take effect the semester after you have formally joined Concordia Lutheran Church.
