## The Star Of Wonder Program Available on DVD

This year's Christmas Program was filmed and is available for purchase. DVDs are \$5 each. If you would like a copy of the program see Mrs. Gritzmacher or Miss Andrea.

If you've already ordered your copy of the Christmas Program, we will be contacting you as soon as the discs are available for pickup.

## Gym Shoes

Over Christmas break Mr. Ben cleaned and polished the gym floor. It looks great. We thank Mr. Ben for his hard work! We would like to remind you that students should have non-marking tennis shoes here at school for gym class. If your child is not wearing appropriate gym shoes for gym class they will sit out and receive a zero for participation that day.

## Have a Family portrait Taken at No Cost To You!

We are extending an invitation to our school and preschool families to have a family portrait taken. Olan Mills will be coming to Concordia at the end of January taking photographs. A pictorial Directory is being put together for Concordia Church. However we are opening up this opportunity to our school families as well. At the time of your sitting, each family will receive a FREE \$25 Gift Certificate to use toward portrait packages. Sign up sheets are available in the Church Narhtex or register online at <http://signup.olanmills.com>. Picture dates are January 26, 27, & 28. Sign up by January 15th.
